Sir:

In response to the Final Official Action mailed February 23, 2006, Applicant hereby submits the following remarks.

Applicant acknowledges with appreciation the telephonic interview between the undersigned and Examiner Serrao on April 24, 2006. The Examiner indicated during the telephonic interview that the lack of any initials on the Form PTO 1449 considered August 8, 2005 for the reference "RAMAKRISHNAN et al, 'The Addition of Explicit Congestion Notification (ECN) to IP', Request for Comments: 3168, Network Working Group, September 2001" was an oversight. The Examiner agreed to issue, upon the next communication from the Patent Office, an updated Form PTO 1449 with the Examiner's initials indicating consideration of the cited document "RAMAKRISHNAN et al, 'The Addition of Explicit Congestion Notification (ECN) to IP', Request for Comments: 3168, Network Working Group, September
